Thanks to both of you!

My office is a Figueroa Plaza, 201/221 N. Figueroa in Central Division. Apparently during the off-hours, homeless activity has increased and the building security has asked us for a good contact to request extra patrols.

Here is what that email said:

Subject: Contact Assistance

Hi Cathy,

Can you please provide CBRE with a contact from the LAPD in regards of increasing the patrols around the property, specifically on Fremont St., Diamond & 1st Street? We would really appreciate it as some City employees have concerns and would like to see additional LAPD presence during the late evening hours as they leave from work.

Thank you for your help.

If someone could contact Mr. Ramirez, that would be outstanding. I will be on VC beginning at EOW today, until December 10th. Happy Thanksgiving!

Subject: Extra Patrol Request

Good Morning,

I just received a call from Lieutenant Doyle, FMD, with a request for extra patrol. Will you please give him a call (213-216-9717). I have copied him on this email too. Lieutenant Doyle, can you please provide the specifics of the request. Lieutenant Tingirides does a fantastic job of identifying and sending resources where they are needed. Thank you and Happy Thanksgiving to both of you and your families.
